Shorttrip „golden eagle festival!

After two years of break, the legendary "golden eagle festival" will take place again in 2021 and Steppenfuchs Reisen will travel there.

Always on the first weekend in October, the eagle hunters are meeting in the far west of Mongolia to open the hunting season with the eagle and to compete with their eagles. A long weekend full of adventure, excitement and new experiences is waiting for you. The journey will be by land, so we will arrive at Bayan Olgii on Friday evening. On Saturday and Sunday we will experience the fascination of the eagle festival, when about 30 - 40 eagle hunters fight for the title. This year, unfortunately, without the Kazakh eagle hunters. The competition begins with the grand opening and the entry of the hunters with their eagles. This will be followed by the competitions in different disciplines, such as speed, agility and accuracy. The final event on Sunday is the wild game "Buschkaschi". The riders of a team have to catch the bellow of a goat with their horse and bring it to their camp.

During the whole weekend a wild yurt camp is created near Bayan Olgii and there is a colorful hustle and bustle of traders, jugglers and shamans.

The Eagle Festival is a unique opportunity to experience the rough and tough life of the Altainomads
